OUR MISSION

The agency's mission is to provide professional and paraprofessional services to clients in their homes assisting them to achieve the highest level of potential in their day-to-day self-care activities. We are committed to providing high quality, multidisciplinary care by professionals who recognize the need for comprehensive assessment of needs from both the client and professional's point of view.

OUR VISION

We strive to be one of the leading providers of a wide range of quality Home Health care services, recognized for enduring dedication to provide innovative, professional, and compassionate care to the communities we serve.

OUR AGENCY

Pinnacle Home Health Agency LLC was established to address the growing needs of patients transitioning from hospitals to their own homes, and be able to assist them as they adjust when they return to their daily activities and routines. The agency aims to fill the gap between hospitals and homes, and act as a provider of Team of Healthcare Professionals to aid patients in their recovery.

We work with a team of licensed and experienced Healthcare Professionals who were carefully chosen amongst others to ensure that optimal care is given to every patient.

We understand the difficulty of a patient's transition from hospital to home. We are committed to providing an uncompromising level of service to patients and families. You, your family and our caring, competent and knowledgeable staff will work together for a common goal... the best care possible at home. Be assured that they are in good hands **BECAUSE WE CARE.**
